Public Meeting Opened

Budget was explained and reviewed. Lee accepted the Budget as written and Wayne seconded the motion. All passed 7/7/25.

Public Meeting Closed

Mayor opened the regular town meeting:

General Business

Denise Chance made a motion to pass the Franchise agreement for Spectrum to continue business as usual in the Town of Saxis. Lee seconded the motion. All passed.

Ecolab- The town property by the sign is sinking. The man told Denise D. that he could not do anything since it is Town property but would consult with management.

Town Truck- Mayor said town truck is rusting out on the bottom -it needs freon all the time, so it is leaking freon. Lee asked about Mosquito sprayer and said there are some cheaper versions of the sprayers. He is not sure about measurements, etc. Mayor said "do we want to spend money on another truck?" Whatever is done, we will need a vehicle and sprayer unless we hire someone else to do that. Ecolab is doing Tall Pines but is killing the Mosquito hawks too. Mr. Tittermary was brought up and Bryan said that he lives in Cape Charles so he does not think that will work.

STR- We received all yearly renewals back – Attorney is to send violation letter to Todd Elliott regarding violations on his home being used as a STR against the rules.

Oyster Roast- Tammy ordered wristbands- Denise Chance asked if we want the same band as last year, it would be \$600.00 like last year. Lee made a motion to hire the band and Beverly 2nd the motion.

All agreed.

Denise C. suggested getting the Oysters out sooner this year as last year people were waiting. The raffle basket brought in \$1080.00 last year. Basket this year has a coastal theme.

Beverly made a motion that we should use the profit from this year's Oyster Roast for playground equipment for the children in the community as well as a fence. Bryan seconded the motion. All passed.

Get Alan to change light bulbs at the Pavilion.
